DEAR CUSTOMERS

BIA Cordon Bleu is pleased to present its 71st collection of kitchenware, bakeware and dinnerware. Founded in 1952 by French and Belgian expats, their goal was to offer the American market innovative kitchenware that could only be found in Europe at that time. Today, seventy-one years later, BIA is proud to continue its mission of offering customers innovative products for their kitchen and home from all over the globe.

As the world reopens now and we embrace this new normal, it's time to celebrate and entertain with friends and family we haven't seen in a while. Scroll through the pages that follow to find BIA's latest collection of fun, functional and fashionable products for your kitchen and dining needs. Our assortment can be used by the casual cook, as well as the professional Chef, and all BIA products are designed with modern sensibility for wherever you live, however you cook and whenever you entertain.
